

October 25, 2011

Dear Parents/Guardians,

This letter is to notify you that your child is eligible for Supplemental Educational Services (SES) during the 2011-2012 school year, in accordance with the No Child Left Behind regulations. Students are eligible for this program based on family income and attendance at a school that is identified as being in need of improvement based on students' performance on the NJASK.

The Washington Borough School District has contracted the services of outside vendors for these supplemental services. All contracted vendors are approved providers by the New Jersey Department of Education. The instruction will take place at the Memorial School either before or after school. You will be notified of the dates and time of your child's supplemental instruction. Please note that you will be responsible for picking up your child from these sessions.

If you would like to take advantage of this opportunity for your child, please complete the enclosed form and return it to the Main Office at the Memorial School. Please direct any questions you may have to Mr. Jenkins (908) 689-1810. If you would like to explore other services on your own, you may select a provider from the following approved list of providers

Sincerely,

Earl Jenkins
